ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled in the offices of the General Council. They are of date of January 1, 1950, and cover the year 1949. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10 is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same **to the Registrars of the conferences.**

The schedules are arranged by conferences rather than by geographical state lines.

The tables are *not a postal guide*. For **addresses of ministers** refer to alphabetical lists in the back of the book. Names of Sunday School superintendents, church treasurers, treasurers of benevolence and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in **heavy-faced** type. If this postal word is an adjective it goes with the preceding name, e.g., Newton, **West**, signifying West Newton.

Abbreviations in schedule headings are:

"Ord." — Ordained	"Ab." — Absentee
"Cld." — Called	"C." — Confession
"Ma." — Male	"D." — Death
"To." — Total	"L." — Letter

Reference marks are used as follows:

|| Around a pastor's name signify he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

i Pastor installed by Council. — No answer can be given.

r Pastor recognized by Council. # Contribution amounts to less than 50 cents.

m Approximate number of men. * Value of church property includes parsonage.

c Sunday School membership includes Cradle Roll. ★ Per Capita paid in full by church.

x Includes cost of new building or improvements.

|| When a church has made no report, items of membership in church, Sunday School and young peoples' organizations, also home expense and value of property, are inserted from the previous Year Book and marked || in the first column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Sunday School, choir and parish. An x before "Value Church Property" denotes expenditures for new buildings or improvements during the year. The total expended will be given at the end of each conference schedule.

The Women's Sacrificial Gift is included in the apportionment columns of each state. The state record of The Unit Plan contributions appears on page 228. The apportionment figures in the schedules are those reported by the state treasurers.

A Summary of the German Conference appears on page 226. The churches constituting this Conference are recorded, together with their statistical data, in the various state conferences with which they hold fellowship.

The Summaries give important data by conferences in Table I and national data by years in Table II. The less important items appear in the Supplemental Summary. Additional totals appear in footings of conference schedules.

For addresses of Ministers, see lists in back of book

PASTORS OF CONGREGATIONAL CHRISTIAN CHURCHES

NOT MEMBERS OF ASSOCIATIONS OR CONFERENCES AND
LICENTIATES

List of pastors who have been reported as not having full ministerial standing. A new status, "approbation as lay preacher," is reported by a few states. The list also includes the names of all licentiates reported by state registrars whether or not they are serving churches. The Association to which a Congregational Christian licentiate belongs is noted as follows: "*Lic.-Chi.*" (licensed by the Chicago Association of the Illinois Conference), or "*Lic.-Conf.*" (licensed by state Conference). The abbreviations following the word "*Lic.*" refer to Associations, the key to which may be had upon application to the Year Book Department, 287 Fourth Ave., New York 10, N. Y. or to the state offices. Note: The state, as well as the Association, is given when a licentiate lives outside the Conference which holds his standing. The designation "*Lic.*," without further letters in italics, is applied to those whose standing has not been verified by any Association.

Candidates for the ministry, who are in care of a local Association, are included in this list.

CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches.

The following is a compilation of the lists furnished by the Conference registrars.

Ministers not in Congregational Christian pastorates are indicated by the inclusion of ordination date (or by a hyphen (-) if ordination date had not been reported) after address. Information regarding pastor is found in the appropriate place in the state report; refer to state and place for this information. If the pastor is not in the schedule of the state in which he lives, he may have made a recent change in pastorate. Page numbers are given for those whose names appear on pages 5-17, and in the Necrology, pages 20-27, and in the record of 1949 Ordinations, pages 240-241.

An asterisk (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one holding body to another as well as for correction of errors.

A dagger (†) indicates that the address had not been verified, or is unknown.

Andover Theological Seminary is affiliated with The Newton Theological Institution forming Andover Newton Theological School, located at Newton Center, in the vicinity of Boston. The combination of the two schools and the location, in greater Boston, make new and unusual advantages possible for theological students interested in taking their professional study in New England. The combined resources provide for an enrichment of the curriculum and an enlargement of the faculty. The library facilities are unexcelled.

Andover Newton Theological School students enjoy the privilege of taking work in Harvard open to theological students without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country, but from all over the world.

The co-operation of the churches in the vicinity offers many opportunities where, on the basis of co-operative scholarships, students can make their way and at the same time gain valuable and practical experience. The School offers scholarship grants, as far as it is able, to students dependent upon self-support and seeks to aid in securing for them church positions in which service can be given in return. Special fellowships are awarded to exceptional students.

The School grants three degrees: B.D., S.T.M., and M.R.E. The B.D. is granted after four years study to students who have had a college course. The M.R.E. is granted to students with similar preparation after two years study. The S.T.M. is granted after at least a year of graduate study and the presentation of satisfactory thesis.

For catalog and further information, address the Dean, Vaughan Dabney.

The Graduate School of Theology provides an opportunity for college graduates to get adequate training for Christian service in the ministry of the church, for leadership in religious education at home or abroad and for Christian social service in city or country communities. Throughout its history, though independent by charter, Oberlin has sustained a most friendly relationship with Congregational churches and work.

Equipment — In September of 1931 the School of Theology moved into its present quarters. It occupies a group of buildings designed by Mr. Cass Gilbert and made possible by the generous gift of two friends of the School, the late Mrs. D. Willis James and Mr. John D. Rockefeller, Jr. The theological group, built in North Italian style, is composed of two buildings connected by cloisters to form a quadrangle of unusual beauty and utility. The dormitory sections of this quadrangle provide apartments for married students as well as rooms for single students. Students in the School of Theology use the main library of Oberlin College which contains 472,031 bound volumes and as many pamphlets. The library files include the leading secular and religious newspapers and the leading monthlies and quarterlies. The Oberlin library is one of the largest college libraries in the United States. The library and seminar rooms in the theological quadrangle house about twenty thousand of the most active books in the theological section and the periodicals required by the theological students. The gymnasium, recreation rooms, athletic fields, and tennis courts provide ample facilities for exercise.

Terms of Admission — College graduation and church membership are required. Men and women of any denomination or race are admitted. This year 18 denominations are represented in the student body.

Degrees in Course — The degrees of Master of Arts, Bachelor of Divinity, and Master of Sacred Theology are given. Work toward these degrees is had in courses chosen from a broad range of offerings designed to provide the most adequate training for parish service at home and abroad.

Special Assets — Students in the Graduate School of Theology have the advantage of one of the most cosmopolitan colleges in America. They share in the university privileges and the scholarly standards and fine Christian ideals of Oberlin. Oberlin is a center of unique and broad missionary interests, and has contributed largely to the missionary forces of the Congregational Church. The Oberlin Conservatory of Music is one of the leading conservatories of the world, and makes available unusual musical advantages. Oberlin is equipped with a splendid Art Building, a fine Art Library, and an excellent collection of paintings and other art objects. Living expense is moderate and scholarships with the opportunities for self-help in the community make complete self-support possible.

For catalog and further information, address the Dean.

"Carillonic Bells"

**Bell tones of majesty and beauty for
the organ . . . unmatched by any others**

SCHULMERICH "Carillonic Bells", installed in the Chapel of Westminster Choir College, are connected to the organ console and provide the fulfillment of an organist's dream. Their dynamic range is so great—their tonal quality so superior—their undistorted volume so rich, that they are a distinguished asset to any organ.

Dr. Alexander McCurdy, head of the Organ Depart-

ment at Westminster, tells us: " 'Carillonic Bells' are a constant joy to us. We find their use with our organ limitless. We learn new ways to use them in our program every day. The bells from our tower have a gorgeous tone."

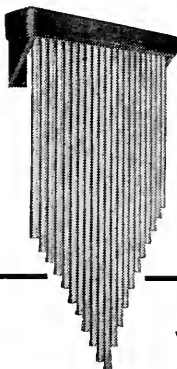

Organists and church authorities everywhere are discovering their true beauty of tone and musical versatility. You should investigate them fully. For particulars write to:

SEXTON SELLS MORE TRAINED BUYERS THAN ALL OTHER WHOLESALE GROCERS

These Are Equally Divided
Between Men and Women

Women buyers judge largely by intuition. Appreciate immediately the value of new products in brightening their service. Weigh the value of the product in their individual service rather than by a price standard alone.

Men buyers depend upon careful analysis. Slower to accept new items because they prefer to have things more standardized. Sometimes overemphasize price as a factor in their determination.

Buyers for the institutional and restaurant field are skilled in the technique of appraising foods. They make full use of scientific methods of ascertaining food cost.

Sexton sells to 60,000 individual units in this great market. The growth of the company has been based entirely on quality and service. A policy of fine merchandise, carefully packaged, fairly priced and promptly delivered has won the confidence and good will of these trained buyers.

“OUR COMPANY”

A minister interested in securing new insurance used the phrase “YOUR COMPANY” then quickly corrected himself, “or rather OUR COMPANY.” When a concern has secured such a place in the hearts of the ministers that they feel they belong to the Fund, and the Fund belongs to them, it merits the careful consideration of all members of the cloth.

FAITH IS A FAMILY AFFAIR

It is said that life insurance has a tremendous stake in the family. When the family goes, life insurance goes. The whole philosophy of our democracy is based on the family as the basic unit. And faith is a family affair. More than all others, Christians have a stake in the family.

To keep alive the family faith calls for a positive plan. Regular church attendance, daily prayers, Bible reading and meditation are the foundations of faith in countless homes. With the aid of The Upper Room families have the strength and inspiration that comes from daily devotions at the family altar. Join this world wide company of those who use The Upper Room each day. Your loved ones and friends can join you—send them copies of the current issue or subscribe in their names.

Single copies 10 cents. 10 or more to one address 5 cents each. Individual subscriptions—two years to one address \$1.00. Two or more subscriptions for one year 50 cents each.
